

KLARA WHITE 2024

“A subtle blend of Sauvignon Blanc and Viognier, this cuvée seduces with its great freshness, revealing a mineral framework underlined by fine menthol notes. On the palate, the attack is greedy, carried by southern aromas of quince, apricot, ripe pear, honey and lime infusion. In the mid-palate, a lemony touch energizes the whole, bringing a welcome freshness. The full, saline finish combines elegance and density with long persistence. A well-balanced, sunny, well-structured wine, to be enjoyed as an aperitif or with pan-fried squid.”
